

給情緒的小禮物 A Little Gift for Your Emotions

菩提本無樹,明鏡亦非台;

本來無一物,何處惹塵埃。

There is no Bodhi tree, nor stand of a mirror bright. Since all is void, where can the dust alight?

<u>A')</u> = 0

六祖慧能大師以塵埃比喻心中的煩惱,然而我們本性自空,心內本無雜念,只是世間瑣事令負能量沾滿心靈。

而今次,我們卻惹來一粒「塵」,一粒幫你掃走心中「塵埃」的「塵」。

本地插畫師陳塵RapChan透過他筆下的主角「Dustykid阿塵」來發放正能量,引導大家在日常生活中「停一停心呼吸」,在心煩意亂情緒波動並快要爆發的一刻,輕輕停一停,簡單感受自己的呼吸,不再胡思亂想,就能減少負面情緒,讓心情平伏。

感謝陳塵Rap及團隊的努力,願意携手推動「停一停心呼吸」運動。 在此誠邀各位和這粒「塵」一起,學習關顧自己的心,在等車食飯娛樂 碰撞行山等時刻,都和呼吸同在。

停一停 心呼吸

Preface

Huineng, the Sixth Patriarch of Zen Buddhism, used dust as an analogy for troubles in mind. However, as our fundamental nature is empty, our mind is free from distractions. It is the thoughts of daily chores that fill our mind with negative energy.

Now, we have invited "Dustykid" to help you sweep away the "dust" in your mind.

Rap Chan, an illustrator based in Hong Kong, has created the character of "Dustykid" to spread positive messages and guide you to "pause and breathe" in your daily life. When your mind and emotions are in such a turmoil that you are about to explode, simply take a break to feel your breath. Once you stop indulging in flights of fancy, your negative emotions can be reduced and you can calm yourself down.

We would like to thank Rap Chan and his team for their hard work in promoting the "Let Our Heart Breathe" campaign. You are sincerely invited to learn with "Dustykid" about how to look after your mind and how to breathe during bus waiting, eating, entertainment, collision and hiking.

第七版序

近年全世界的天災人禍頻繁發生,導致人心不安,不少人的心理健康都亮起紅燈,香港當然不會例外,要解決這個問題,必須從因着手,因此我們這幾年來,都不斷推動「停一停」心呼吸」這個簡易的安心方法,包括在2018年出版這本小冊子。

過去6年這本小冊子已公開派發超過12萬本,還有電子版在網上供大眾閱讀。上月我們徇眾要求加印一萬本,在不足一星期內,已全數分發社區數十個派發點,當中包括中小學、社褔機構及醫院等。這次再多印三萬本,好讓有需要的社群均能獲得訊息,在此感恩大眾捐款成就。

誠邀讀後的你下載免費的「心呼吸」手機應用程式,及報讀「自在生活禪」免費網上課程,以持續學習,對己對人的情緒管理,都一定會有幫助。

Foreword

Foreword for 7th Edition

Recent natural disasters and wars have caused mental health concerns worldwide, and Hong Kong is no exception. To address this, we must start with the cause. Over the past few years, we have promoted the simple method of "Pause and Breathe", including the publication of this booklet in 2018. More than 120,000 copies have been distributed, with an electronic version available online for public access.

In response to public demand, we printed an additional 10,000 copies last month, all of which were distributed within a week to community points, including schools, social welfare organizations and hospitals. To reach more people in need, another 30,000 copies have been printed in this edition. We would like to express our gratitude to the public for their donations.

After reading this booklet, please download the free "Pause & Breathe" mobile app and sign up for the free online course "Zen for Liberation of Life" to continue your learning journey. These resources will definitely help in managing both your own emotions and those of others.

Ven. Chang Lin

After diving deep underwater for a long time...

鯨魚也需要浮上水面呼吸一□氣。
a whale has to come up to breathe.

所以,被生活大小事浸沒的心… Similarly, a mind immersed with daily tasks...

同樣地也需要浮上水面呼吸一下。 has to come up to breathe.

OFOB Breathing

喂,你知道呼吸的真正意義是什麼嗎??

Hey, do you know what breathing really means??

是打掃內心的過程!

主 A D Stillness

疲累時,身體會傳來力竭的信息, 我們會因而停下工作。

When we are tired, the body will give us a signal of exhaustion. In response, we will take a break from work.

但身為都市人,即使身體停下來, 內心仍是會繼續運轉吧?

But as an urbanite, your mind will probably keep on working even after you give your body a break.

你的身體雖靜止了,若你沒有平靜你的心… While your body is still, if you do not calm your mind...

你的心依然不能好好休息。 your mind cannot take a good rest.

其實內心的門常為你開…

In fact, the door to your mind is always open for you...

意即,你是可以隨時探訪內心的!
i.e. you can visit your mind anytime you like!

所以無論你處身什麼環境,只要給自己幾秒鐘停下來… So wherever you are, you just need a few seconds of break...

你便可以走進心房,和內心輕鬆地詳談一番! to enter your mind and have a relaxing talk with it!

我們常被無數的迷霧遮掩前路…

As the roads ahead are often veiled in blankets of fog...

使我們看不清身處的位置,和難以識別想到的方向。 nor can we identify the direction in which we want to go.

當你願意停一停、心呼吸,

持續讓內心呼…吸…呼…吸…呼……吸……

When you are willing to pause and breathe, let your heart keep breathing.

那些迷霧,會被吹散!

All the fog will be blown away!

o字oB65方注 How to breathe

When you are at sixes and sevens...

pause...
and stop indulging in flights of fancy.

呼…

Breathe out...

吸...

Breathe in... Feel the air flowing...

o字oB65方注 How to breathe

Breathe out...

Breathe in...

Feel the air clearing your mind of the melancholy...

Breathe out...

0月…

感受空氣 注入內心的甜美...

Breathe in...
Feel the air
injecting sweetness into your mind...

Breathe until you feel refreshed!

題内心共存し

Co-exist with your mind

等等的時候, 內心的聲音特別樂言。

Your inner voice is loud and clear amidst tranquility.

不要的教育的刺激填充空虚的心的要為的心質起展人的特级。

You don't need to fill your empty heart with short-term stimulus, but you should develop long-lasting happiness in your mind.

你為了幾百日的家而東續著本能自由自在的心。

For a flat of several hundred square feet, you bind your mind, the once free and easy mind.

海都在催促你跑快點… 但你有問人心想去哪嗎?

Everyone is urging you to run faster... but have you asked your mind where it wants to go?

你努力在你養生的事、此刻卻屬了心神、 反下能養生。

While you have been trying hard to stay healthy, your mind is thrown into chaos at the moment, running counter to your goal of staying healthy.

最能照料自己內心的人,是你!

The only person who can take the best care of your mind is yourself!

生活上的心。这时

Breathe in daily life

等車,是一個既緊張又靜態的過程。

Bus waiting is a tense and static process.

身體不動,但內心卻慌亂地思索下一班車到來的時間…

While you are standing still, your mind is flustered with thoughts of when the next bus will arrive...

靜下來,用心呼吸… Calm down and breathe...

慌亂的心不能加快車到站的時間, 不如好好享受這難得的空閒。

A flustered mind cannot shorten the bus arrival time, so why don't you enjoy this hard-to-come-by break?

忙碌的你,每次吃飯都狼吞虎嚥嗎? Are you so busy that you gobble up all your meals?

其實食得再快,又能省卻多少時間呢? 何不趁這段時間,好好與內心相處一下?

How much time can you save by eating faster? Why don't you make use of this meal break to get along with your mind?

你可以「手機食先」,記錄好時光;

You can "let your phone eat first" to record your good times;

亦可以慢慢咀嚼食物的質感,與內心一同享受滋味!
but you can also chew slowly, notice the texture of the food,
and enjoy the wonderful taste with your mind!

る並 達 Collision

與人碰撞,一定要發怒嗎?

If you are bumped into, must you get angry?

激動時,不如來一個心呼吸… When agitated, breathe deeply...

心呼吸會呼走憤怒,會呼走魔鬼…

Your anger and the devil's thoughts will be breathed out...

然後你會知道,

任何衝突都可以平和地解決!

Then you will realise that any conflict can be resolved peacefully!

刺激的影視娛樂真的能令你長久快樂嗎?

Do exciting movies and television programmes really bring you long-term happiness?

Have you ever felt a sense of loss after entertainment? Let your heart breathe.

心告訴你:

「過度的娛樂會令你失去和內心交談的時間… 亦會拆散你和內心的關係呢!」

Your heart says:

"Too much entertainment will deprive you of the time to talk with your mind...
and will even break you and your mind up!"

還記得行山時的內心狀態嗎?

Can you recall the state of mind when hiking?

行山,身體雖在劇烈運動, 但內心卻平靜如水,享受當下。

Although hiking is a strenuous exercise for your body, you can enjoy the present moment with your calm mind.

那時間的你,能真正的感受到內心。

回到山下的生活,忙碌時,也請你記起這個狀態。

這樣的話,你便可以脫離時間和環境的束縛,隨時都可以停一停,讓內心來一個心呼吸了!

Then, you can really appreciate your mind.

After returning to your life downhill, please recall this state of mind when you are busy.

In this way, you can slip the leash of time and environment anytime to take a break and let your heart breathe!

當心平靜的時候 他看到的世界是廣闊的…

When your mind is calm, it can see a vast world...

那裡能容納不同的人、不同的事…

It can accommodate different people and different things...

所以一切不安的情緒也能 輕易與他們共存。

So all unsettled emotions can co-exist with them easily.

而世界的美好也能盡入眼簾!

You can then have a panoramic view of the beautiful world!

共な Co-existence

所以,和心共存吧! So co-exist with your mind!

和心一起同步呼吸。 Breathe with your heart.

即使每天只得一瞬間,但也足夠令你的心境開闊得如宇宙!

Even if you just have a moment a day, it is sufficient to make your mind as expansive as the universe!

如果「溫暖人間」是一個人,他會是:

一位家人。

自19年前誕生以來,一直以佛法和正能量滋養我們, 不離不棄,無論何時何地,都讓我們安心。

一位老師。

在成長道路上,不斷向我們灌輸善知識,給予啟發和鼓勵。

一位年輕人。

擁有一顆年輕的心,與時並進,追求創新。

雜誌出版以外,舉辦多元化身心靈活動,推動真正的「佛系」精神、仲可能是一頭 撫慰小靈的小貓小狗……

你心目中的「溫暖人間」,又是怎樣的?

If "Buddhist Compassion" were a human, he would be...

a family member.

Since he was born 19 years ago, he has nourished us with Dharma and positive energy.

He has never stopped comforting us no matter where and when.

a teacher.

He has instilled knowledge of the good in us, inspiring and encouraging us along our path.

a young person.

Remaining young at heart, he is committed to keep abreast of the times with innovations.

Besides publishing the magazine, he also organises various body and mind events to promote the proper Buddhist-style mentality. He might even be a heart-soothing pet...

What do you have in mind for "Buddhist Compassion"?
